In promoting Communication and Information Exchange Among Engineers and Disciplines

From the President

Happy New Year! As we say goodbye to 2014, I would like to take this opportunity to thank our sponsors: your strong support has enabled us to have another successful year! We ask for your continued support in 2015!

CIE/USA-DFW is a non-profit professional organization. Many members and volunteers put in considerable effort to make the DFW chapter one of the most successful organizations in the community.

Furthermore, the 2015 officer team has been carefully selected and approved by the CIE Board of Directors. All members are more than excited to be part of the CIE mission and are proud to serve CIE and the community! We have many events planned for 2015 starting January. Please visit our website for our schedules.

Again, our deep appreciation goes to all of you for your support, and we look forward to a great 2015!

2015 CIE Orientation

CIE/USA-DFW held a successful 2015 CIE Orientation at the Texas Instruments Texans Activity Center on Dec 13, 2014. More than 50 volunteers, officers, and Board members attended this event to review the history, mission, and bylaws of the organization. The 2015 officer team also took the opportunity to present their goals and plans to kick off the year of 2015. The enthusiastic team is eager to work together to celebrate another successful year to come.

Leadership and Career Development Seminar at UT Dallas

This event was held on October 11, 2014 at the Texas Instruments Auditorium of UT Dallas for senior college students and young professionals to prepare for their future careers. It was a joint effort with the UTD Taiwanese Student Association. The event was attended by 70 enthusiastic students and young professionals.

Business Forum on Retirement Planning for Technical Professionals

This event was held on November 15, 2014 at the Idea Lab of DFW Excellerator from 1:00 pm to 4:00 pm. 40 interested people attended the seminar. Dr. Faa-Ching Wang, Retired Business Unit General Manager of Texas Instruments, Harry C. Loftus, SVP Wealth Management of Merrill Lynch, and Dr. Narcisa Dusa, M.D. of Internal Medicine/Care Exceeding Expectations shared their advice on readiness, financial and medical aspects. The event is the first retirement related seminar organized by CIE, and received much positive feedback.

Upcoming Events in 2015:

- 01/17/2015: Engineering Business Forum
- 01/31/2015: CIE Night
- 02/07/2015: CIE VEX Robotics Tournament
- 03/07/2015: Spring Technical Symposium
- 03/21/2015: Leadership Assessment and Mentoring Program (LAMP)

Please visit our website www.cie-dfw.org for more information.

The CIE/USA-DFW Chapter was established in 1989, a non-profit organization with the focus to promote awareness and advancement of Science, Technology, Engineering and Mathematics (STEM).
